**Upcoming Events & News**

**Bible Class Lesson:** Matthew 4:23-25

**Sunday Evening Bible Class:** Monti has a cold, there will be a singing this evening.

**We will be streaming today: Starting today we will stream the whole service again.**

**Differing is not Hating:** In politics or religion, does differing with someone, even about eternal issues, mean hating one another? Differences should be acknowledged and discussed reasonably, but amicably. Christians are to “*restore*.” Something is obviously skewed when just quoting a Bible verse is labeled “*hate speech*.”

The error works both ways: any difference is to be expressed hatefully; if it differs with you, no matter how humbly and gently, you must decide that I hate you. It is our job to kindly reason, persuade, exhort. It is not our job to coerce someone to believe a certain way, even if it were possible, “Persons convinced against their will are of the same opinion still.”

“*Come now, let us reason together, says the Lord*” (Isa. 1:18).
