Happy Mother's Day!

What a blessing a mother can be, a gift of love for eternity. Nurturing you from the very start, with the beating of her heart. A wise teacher to lead the way, with gentle hands and words so kind, she always knows what's on your mind. A trusting friend who's always there, a caring doctor who knows how you feel, with hugs and kisses that really heal. With so many different jobs to do, a mother is truly a blessing for you.
